

## Fair Competition Statement

RELIANT, we are continually providing specialized mining services to our clients. We are aware of the importance of fair competition and adherence to governmental laws and regulations.

In this regard, we are committed to:

1. Not enter any arrangement [even informal, unwritten] with a competitor aimed at price-fixing, reducing output or capacity, delaying expansions, collective boycott, customer allocation, or market sharing.
2. Not exchange sensitive information with a competitor for price-fixing, reducing output or capacity, delaying expansions, collective boycott, customer allocation, or market sharing.
3. Not accepting sensitive information shared with us by any competitor that might be the cause of or might give the impression of potential price-fixing, reducing output or capacity, delaying expansions, collective boycott, customer allocation, or market sharing.
4. Comply with the competition laws and regulations of the country where we have operations.
5. Report any actual, suspected or alleged breach of competition law or breach of this Standard to our clients or other affected stakeholders.
6. Not sharing with any competitor sensitive information including unpublished information related to:
  - Production capacity, mining plans, operational strategy, and others.
  - Commercial strategy or projections.
  - Supplier lists, trade and credit terms
  - Client or supplier contracts. Production capacity, mining plans, operational strategy, and others.

This Statement was updated in December 2020.
